KEY DATES

MAY UCAS UNDERGRADUATE APPLY OPENS

Students can register and begin their application but they won't be able to submit it until September.

SEPTEMBER UCAS UNDERGRADUATE SUBMISSIONS

Students can submit their completed undergraduate applications on the UCAS website.

JANUARY UCAS APPLICATION DEADLINE

The equal consideration deadline for most university applications via UCAS.

FEBRUARY UCAS EXTRA

Extra is another chance for students to gain a place at university or college.

MARCH STUDENT FINANCE ENGLAND

This is when Student Finance England opens for funding applications. Part-time student funding will open later.

MAY UNIVERSITY/COLLEGE DECISION DEADLINE

This is when all universities and colleges make decisions on whether to send applicants an offer to study.

JUNE REPLY DEADLINE

Once a student's last university decision comes in, they must then reply to their offer. There are a few replies that students can make; Firm, Insurance and Decline.

JULY CLEARING OPENS

Clearing is how universities and colleges fill up the spaces on their courses. From July to October, students can apply for a course using Clearing if they are not already holding an offer from a university or college, and the course still has places.

AUGUST RESULTS AND ADJUSTMENT

Results days normally happen in August.

CLEARING

Many universities and colleges, including Arts University Plymouth, will take applications through Clearing up until the end of October, if the course still has places.
